

# Essential Question Zoom-In

*Chapter EQ: How did the United States and its government change in the 19<sup>th</sup> century?*

**Guiding Thought: What factors led to the industrialization of America, and what impact did industrialization have on society?**

Read your notes and think about the questions

Discuss the questions with your partner

Be prepared to share your responses

- What factors encouraged the growth of industry?
- What were some of the recent technological advances?
- What's the difference between a Robber Baron and a Captain of Industry?
- How did Congress attempt to regulate industries?
- How did workers fare in this society?
