A JOURNEY THROUGH YOUR LIFE DURING THE GREAT DEPRESSION

DIRECTIONS:

- As you participate throughout the simulation draw on the Road Map above to show the route you took.
- In addition to the map complete the Travel Log on the back.
- At the end of the simulation answer the questions in the box to the right.

Questions

1. If the simulation was real what would you have considered the lowest point in your life? Explain
2. Based off your experiences do you agree with Herbert Hoover's "Rugged Individualism" mentality? Explain
3. The stock market crash in 1929 signaled the start of the Great Depression but it was not the only cause. What other factors contributed to the Great Depression? List at least 3 based off this simulation and explain how it contributed to the Great Depression.
