

Immigration and Urbanization

Immigration -

Immigrants: Out with the Old and in with the New

Old Immigrants

New Immigrants

Why did these Immigrants choose to leave their country and settle in America?

The Push-Pull Factor: When people migrate, they don't just leave one place and magically arrive somewhere else...usually, something pushes them away from their native country and pulls them to a new place.

Push Factors

Pull Factors

Summarize:

Describe the journey that most immigrants took to reach the United States.

Where did Immigrants go once they arrived?

Ellis Island

Angel Island
