Siany M P. 5
Explain the meaning/connections behind each of the pictures you drew or pasted

1 The house of unamerican activity committee was actively working on investigating all people that showed signs of communism including all those accused by McCarthy

2 When McCarthy accused a Hollywood actor of communism they were immediately black listed and stripped of opportunity because they were now seen as a public enemy

3 McCarthy accused his political opponents of being communists in hopes of ruining their chances of success against him

4 Joseph Welch felt that McCarthy falsely accused many of communism even those fighting for our country like the army

5 McCarthy's paranoia caused him to believe that accusing many of communism even based on little evidence kept America safe.

6 Accused those that went against soviet norms or spoke negatively about government as communist based on little or no evidence
