

Saints & Strangers Historical Narrative

- Think about the motivations for immigration that you have identified for the Saints and Strangers.
- You will now use that information to compose a letter from a Saint or a Stranger (your own choice) to someone back in England.
- In your letter you must clearly articulate some of the reasons that you chose to immigrate to North America. Refer to the rubric for the writing assignment.
- Well-chosen historical details and clear writing will be keys to success for this assignment.
