

Slavery and Servitude Narrative Organizer

1. Read the narrative you were given. Highlight words that are interesting to you. Use a pencil to circle words that you do not know. (close reading) When finished reading, answer the questions below. Refer back to the narrative to answer the questions.
2. Write a summary (in complete sentences) of the narrative you read. (close reading/ understanding)
3. Who do you think wrote this document? You don't have to know a specific name; just describe the type of person that would have written it. (sourcing)
4. Is this account believable? Why or why not? (sourcing)
5. What was happening in society when the author wrote this document? (contextualizing)
6. In what physical location and time period did this narrative take place? (contextualizing)
