## SHARE THE MEAT

### as a wartime necessity

*To meet the needs of our armed forces and fighting allies, a Government order limits the amount of meat delivered to stores and restaurants.*

*To share the supply fairly, all civilians are asked to limit their consumption of beef, veal, lamb, mutton and pork to 2½ lbs. per person per week.*

### YOUR FAIR WEEKLY SHARE

Men, women and children over 12 yrs. old . . . . .	<b>2½</b> Pounds per week
Children 6 to 12 yrs. old . . . . .	<b>1½</b> Pounds per week
Children under 6 yrs. old . . . . .	<b>¾</b> Pound per week

*You can add these foods to your share: liver, sweetbreads, kidneys, brains and other variety meats; also poultry and fish.*
